

SALUTING

OUR TROOPS

~ PAST & PRESENT ~

**A WORLD OF THANKS TO
ALL WHO SERVE**

from Connecticut

Our State Capitol in Hartford houses a collection of Civil War memorabilia and flags carried into battle by Connecticut soldiers. Surrounding this stunning structure, in cities and towns to the north, south, east and west, you'll find hundreds of memorials, monuments, parks, plazas, markers and much more, all paying tribute to the men and women who have pledged to defend our country and safeguard our precious freedoms.

Hands Touching Hearts is a global outreach effort that gives Americans of all ages the opportunity to decorate handcrafted thank-you gifts for United States military personnel. The program was originated by Ann M. Cosgrove, a graphic artist in Connecticut. To learn more, visit www.Anns.work.
